CMP Locomotive Used at Wyman Dam - Photo by Milford Baker. Used by Permission.

**If you missed it before...
Don't Miss It This Time!**

Presented by arrangement with Northeast Historic Film in Bucksport, this 30-minute silent moving picture shows rare Central Maine Power Company footage from the late twenties and early thirties. See:

- Pressure diving
- Blasting and cement work
- The rail system
- Installation of generating equipment
- Children playing in Daggetville
- And more...

*This presentation is made possible, in part, by a grant from
the Maine Humanities Council and the Kennebec-Chaudière Heritage Commission.*

We'll see you there!
